Subject: Variable Compensation Payout 2025

Dear Rakesh,

At Capgemini in India, we deeply value our people, recognizing them as the cornerstone of our success. We extend our heartfelt gratitude for your unwavering dedication, passion, and commitment, which have been instrumental in consistently delivering in a demanding and challenging business environment.

As a gesture of gratitude, we are glad to inform you that you will receive an Variable Compensation Payout of **INR 164,501** in **March** Payroll.

Calculation Details	Values
Prorated VCT (INR)	126,554
Final Payment (INR)	164,501
Final Payment % (of Prorated VCT)	129.98%

Your Variable payout will reflect in upcoming pay cycle and will be subject to applicable tax deduction. In accordance with Group Variable Compensation Scheme, to be eligible for payment, you should be employed with Capgemini and not serving notice as on the payment date.

We look forward to your continued commitment and contribution to the growth and success of Capgemini!

Notes:

- VCT= Variable Compensation Target
- Proration of target variable pay will depend on any compensation change during the year, loss of pay (if any), secondment period etc.
- Your Variable Compensation payout is based upon a combination of business performance factor, individual contribution outcome and normalization factors.
- In case of transfers within different units during the year, payment will be processed for the tenure in each respective BU and aggregated.
- Final payout is adjusted against advance variable (if any) paid for the year.
- Annual Variable Payout to be recovered in case of resignations on or before March 31, 2026 and/or 2025 In-Year Contribution of "Needs improvement" or "Off-track".

With appreciation,
Capgemini
